SUMMARY

An enthusiastic MCA graduate with a passion for programming and solving problems. Seeking an entry-level position to enhance my skills and gain hands-on experience with various technologies.

PROJECTS

TrackHack

🔗 Restricted Access

Developed TrackHack, a web app to **manage SSIP/ SIH participation** in my college. As the Frontend Developer, I helped streamline team tracking, approvals and reporting, **replacing manual work** with a digital solution.

- Used **React**, **SCSS**, **Axios** and **Redux**
- Used for managing SSIP/SIH participation, approvals and reports in college

HandMadeCharm

🔗 https://github.com/dishagitt/HandMadeCharm

Developed a **B2B e-commerce platform** connecting artists such as painters, designers, and ornament makers with buyers. The platform allows sellers to showcase and manage their handmade products.

- Built using **Django-python**
- HTML5, CSS3, Bootstrap, and JavaScript for designing pages and SQLite as a Database

Rock-Paper-Scissors

🔗 https://github.com/dishagitt/Rock-Ppaer-Scissor-Game

Developed a Rock Paper Scissors game as a learning project in Android, providing users with an interactive experience to play the **classic game against the app**.

- XML was used to design
- Learned to use **event listeners** and manage user interactions in Android.

FashionHub

🔗 github.com/dishagitt/fashionHub

Created FashionHub, an online e-commerce platform for a single-seller clothing store, enabling users to browse, add to cart, and purchase apparel. Built with a focus on functionality, responsive design, and a smooth shopping experience.

- Used PHP, HTML5, CSS3, BOOTSTRAP, JS, MySql
- Learned to integrate **client-server communication** for a seamless user experience.

DentalCare

🔗 https://github.com/dishagitt/DentalCare

An online appointment website for dental-care with patient appointment feature for user and manage patient functionality for dentist.

- Used PHP, HTML5, CSS3, JS, MySql
- Developed a **dentist dashboard** for managing appointments, patient data, and schedules.

SKILLS

HTML5	CSS3	BOOTSTRAP
JavaScript	C/C++	Python- Django
Android - Java	Version Control	
ReactJS	Axios	SCSS	Tailwind
Redux	MySQL	

EDUCATION

Master of Computer Application
L. D. College of Engineering
📅 08/2023 - 05/2025
CGPA **8.52** / 10.0

Bachelor of Computer Application
Rofel Shri G. M. Bilakhia College of Applied Sciences
📅 08/2020 - 05/2023
CGPA **8.11** / 10.0

STRENGTHS

💎 **Problem- solving**
Good at solving problems with simple and clear solutions.

💎 **Brainstorming**
Good at coming up with creative ideas and solutions.

💎 **Curiosity**
Always eager to learn and explore new things.

COURSES & CERTIFICATION

Applied Cloud Computing for Software Developmen | Microsoft

Google Analytics for Beginners | Google Analytics Academy | IBM SkillsBuild

Emerging Technologies for Sustainable Development (Participation) | Adani University, acm-w India
